CONTRACTOR LICENSE REQUIREMENTS

All general contractors, all sub-contractors and service contractors must be licensed with the Village of Evergreen Park to work in the Village. Our contractor licenses run from January 1st thru December 31st each calendar year.

License fees are:

General Contractors	\$225.00
Sub-Contractor and Service Contractors	\$150.00

All contractor license applications must be submitted with a Certificate of General Liability Insurance with the Village of Evergreen Park listed as certificate holder.

Bonds are required for Electricians and Sewer contractors only.

*****Additional requirements for Electricians, Mechanical Contractors, Plumbers, Roofers, Sewer Contractors and Sign Contractors are as follows:**

Electricians – A copy of the supervising electrician's license or registration and a \$5,000 Surety Bond.

Mechanical Contractor – If your company does your own A/C hookups, disconnects, etc. for new installations you must also have a Village electrical license. See above for additional requirements for electricians.

Plumbers – A copy of your State or City of Chicago license. No certificate of insurance, no bond is required and no license fee.

Roofers – A copy of your State of Illinois Roofers license.

Sewer Contractors – A copy of your State of Illinois or City of Chicago Drain Layers license and a \$20,000 Surety Bond.

Sign Contractors – If your company does your own electrical hookup you are required to have an electrical license with the Village. See above for additional requirements of electricians.
